* The flavor ingredients used in this product have been deemed safe by the U.S. Food and Drug Administration (FDA) and/or the Flavor and Extract Manufacturers Association (FEMA) Expert Group (GRAS); by the FAO/WHO Joint Expert Committee on Food Additives (JECFA); and/or authorities such as the European Food Safety Authority (EFSA) or the Japan Food Safety Commission (FSC).

The maximum addition levels are based on restrictions on specific ingredients per the IFRA standard or on individual ingredients and their suppliers, whichever is lower.

The IFRA standards limit a number of specific fragrance materials. These use restrictions are based on the safety assessments of the Research Institute for Fragrance Materials (RIFM) and reviewed by an independent Expert Panel of fragrance safety experts.

For product category applications not listed above, please contact TKB Trading for a re-evaluation.

Ensuring the safety of the finished product (including the use of this flavoring oil) is the ultimate responsibility of our customers.
