REPRESENTATIVE CERTIFICATE OF ANALYSIS (COA)

TKB Trading LLC

Product: Vanilla Flavoring Oil

Issued: 01-Nov-2026

Revision: Rev. 1

Test	Specification	Representative Result
Appearance	Pale golden yellow liquid	Pass
Odor	Characteristic aroma	Pass
Taste	Matches standard	Pass
Refractive Index at 25 °C	1.4735 – 1.4835	1.4795
Specific Gravity at 25 °C	0.921 – 0.951	0.928
Flash Point (°F)	—	> 200
Phase at 25 °C	Liquid	Liquid
Solubility	—	Not soluble in water
Stability	—	Stable, not known to cause discoloration

Conclusion

The manufacturer's documentation reports that this product meets the specifications stated above.

User Responsibility & Disclaimer

This Representative Certificate of Analysis is provided for reference purposes only and reflects representative manufacturer data. It is not a batch-specific Certificate of Analysis for material repackaged or sold by TKB Trading LLC. Product characteristics and analytical results may vary from batch to batch while remaining within the manufacturer's established specifications.

The specifications and analytical values shown above are derived from documentation provided by the manufacturer. TKB Trading LLC is a distributor, not the manufacturer or testing laboratory, and does not independently test, verify, certify, or guarantee these analytical values.

This document does not constitute a warranty or guarantee regarding the suitability, safety, performance, or regulatory compliance of the product for any particular application or finished formulation.

Customers are responsible for conducting any testing necessary to determine suitability, safety, compatibility, stability, and regulatory compliance for their intended application and finished products.

Please refer to the Safety Data Sheet (SDS) for safety, handling, and storage information.
