To Our Valued Customer:

This letter was written in response to your recent request to certify that TKB Gloss Base supplied by TKB Trading, LLC. is free from the allergens listed in the 7th Amendment, European Cosmetic Regulation, Annex III.

TKB Gloss Base is manufactured at a contract manufacturing plant. This contract manufacturing plant also produces fragrance-containing materials. Some of the allergens listed in the EU Regulation could be in the fragrance components of those materials. However, this plant follows a very stringent cleaning policy to prevent any possible cross contamination. After cleaning, these vessels are inspected and must be odor free prior to manufacturing TKB Gloss Base.

Please feel free to contact us if you have any further questions.

Sincerely,

TKB Trading, LLC
